STARTER LIST SAMPLE

Kansai Tattoo Stay Starter List

A sample planning worksheet for tattooed travelers comparing Osaka, Kyoto, Nara, Kobe, and nearby stay options.

SAMPLE

**Use this as a planning aid,
not as a guarantee.**

Rules, availability, and staff answers can change. Confirm directly before booking when a detail matters.

Do not start with hotel names.

Start with the bath outcome you need. Then compare areas, routes, and confirmation status.

Outcome needed

Public bath OK, cover OK, private bath OK, room bath enough, or no bath requirement.

City fit

Osaka for transport and food, Kyoto for ryokan and culture, Nara/Kobe for slower side trips.

Bath evidence

Official page, hotel email, booking note, guest review, or not yet confirmed.

Risk level

Low if written and specific. Medium if email-only. High if vague or review-based.

Backup plan

Choose a second stay or nearby bath option if the policy is important to the trip.

Build your comparison sheet.

Use these columns in Google Sheets or Notion before adding hotels to your final shortlist.
